Retailer/Contractor Name_____ Location _____

Rebates are available only for the purchase of new electric space heat installed on or after January 1, 2018. The electric or storage space heat must be installed where electricity is supplied by Agralite Electric Cooperative and must be controlled on the EnergyWise storage protocol. Rebate will be processed after this form is completed and total installed kW is confirmed by an Agralite technician. Rebate submittal must follow the guidelines as listed below. Agralite is not responsible for inaccurate information supplied by retailers/contractors. Rebate program is subject to change or cancellation without notice. Call Agralite to verify rebate program status.

Important Information:

- Limit one rebate per application.
- The space heat must be installed within Agralite Electric Cooperative's service territory.
- Incomplete forms will not be processed.
- The space heat must be separately metered and controlled on Agralite's EnergyWise storage program.
- Include a copy of the original dated sales receipt.
- Complete all member information including your account number and sign this form.
- Rebate will be processed after form is complete and total installed kW and control is confirmed by Agralite.
- Submit completed rebate form and a copy of the original sales receipt within 90 days of purchase date to: Agralite Electric Cooperative. For questions, contact Agralite Electric Cooperative
