The undersigned does hereby certify that 1) The undersigned, and not Agralite Electric Co-op, is solely responsible for the accuracy of the information contained in this application, 2) all rules of the Rebate program have been followed, and 3) the installation is complete. Further, the undersigned acknowledges that nothing contained in the application shall impose any liability on Agralite Electric Co-op for the work performed and information presented by the customer's engineer, contractor, or vendor.

**Warranty Information**

Rebate qualifications do not imply any representation or warranty of such equipment, design, or installation by Agralite Electric Co-op. Agralite Electric Co-op shall not be responsible or liable for any personal injury or property damage caused by this equipment. Agralite Electric Co-op does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall Agralite Electric Co-op be liable for any incidental or consequential damages.

**Other Important Program Rules**

1. Installation must be complete before funds will be issued for the rebate.
2. Customers and vendors must submit itemized equipment invoices along with rebate applications, and worksheet to Agralite Electric Co-op. To ensure that the equipment installed meets Agralite Electric Co-op's performance standards, these invoices must itemize labor charges, quantity and price of the equipment installed, and information regarding the manufacturer and model numbers for all equipment included in the rebate.
3. Agralite Electric Co-op reserves the right to conduct random inspections of installations.
4. The customer is responsible for checking with Agralite Electric Co-op to determine whether funding is available and to verify program parameters.
5. Rebate must comply with all program specific rules and qualifications (see complete list of rebate specific rules).
6. Qualifying customers must apply for Year 2010 rebates no later than November 30, 2010.

### **Qualifying Customers**

This program is applicable to the commercial / industrial and agricultural customers of Agralite Electric Co-op.

### **Warranty Information**

Rebate qualifications do not imply any representation or warranty of such equipment, design, or installation by Agralite Electric Co-op. Agralite Electric Co-op shall not be responsible or liable for any personal injury or property damage caused by this equipment. Agralite Electric Co-op does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall Agralite Electric Co-op be liable for any incidental or consequential damages.

### **Other Important Program Rules**

1. The Custom Energy Rebate application must be pre-approved by Agralite Electric Co-op and Great River Energy.
2. Installation must be complete before rebate funds will be issued.
3. Customers and vendors must submit itemized equipment invoices along with rebate applications and worksheets to Agralite Electric Co-op. To ensure that the equipment installed meets Agralite Electric Co-op's performance standards, these invoices must itemize labor charges, quantity and price of the equipment installed, and information regarding the manufacturer and model numbers for all equipment included in the rebate.
4. Describe the existing and new equipment/systems in terms of demand and energy requirements; operating hours, number of units, and any other baseline data pertinent to the efficiency characteristics of the equipment/system.
5. Member Cooperatives are to consult with GRE staff to arrive at a Benefit-Cost-Ratio (BCR) that will determine a rebate amount which is provides cost effective energy savings for the specific project and equipment type.
6. Agralite Electric Co-op reserves the right to conduct random inspections of installations.
7. The customer is responsible for checking with Agralite Electric Co-op to determine whether funding is available and to verify program
8. The maximum rebate amount shall be the lesser of 50% of the project cost or \$100,000 (\$150,000 for retrofit projects with prior approval from GRE).
9. Qualifying customers must apply for Year 2010 rebates no later than November 30, 2010.

Custom Energy Grant
2010 Rebate Application
Agralite Electric Co-op, 320 E. Hwy 12, Benson, MN 56215-0228 PH: (320) 843-4150

Worksheet Instructions: Enter required data in shaded area only.

Environmental Assurances

Describe how hazardous wastes which may result from this project will be handled:

Empty box for hazardous waste handling description.

Power Quality

Does the project meet power quality requirements:

Power Factor: yes / no

Harmonic Distortion: yes / no

If "yes" in either case, the cooperative should have a copy of the specification sheets on file at their office.

Removed Equipment

Describe how removed equipment will be made inoperable.

Empty box for removed equipment description.

Trade Allies (contractor or supplier performing the work)

Form fields for Name, Address, City, State, ZIP, and Phone.

Demand & Energy Savings Calculations

Summer Coincidental Demand Savings: kW(E) - kW(N) = - kW
Average Demand Savings: kW(E) - kW(N) = - kW
Average Annual Energy Savings: kWh(E) - kWh(N) = - kWh

Estimated Annual Demand Savings:

Calculation for Demand Savings: - kW x Demand Rate - \$/kW x Months = \$ -
Total Demand Cost Savings \$ -

Estimated Annual Energy Savings:

Calculation for Energy Savings: 0 kWh/month x Energy Rate - \$/kWh x Months = \$ -
Total Energy Cost Savings \$ -

Estimated Total Savings: \$ -

(Enter required data in shaded area only)

Summary box containing: ENTER Total Project Cost, ENTER Requested Rebate Amount, Benefit Cost Ratio, After Rebate Project Cost, Simple Payback After Rebate (yrs).
