**Energy Audit Criteria**

- For existing commercial building projects.
- Rebates are available for implementing or installing energy efficient electrical equipment which perform beyond the Minnesota State energy code requirements through either the prescriptive or custom rebate programs.

**Program Funding**

- The funding for cost share energy audit are shared 50%/50% between Agralite Electric Co-op and the Member Customer.
- The customer is responsible for checking with Agralite Electric Co-op to determine whether funding is available and to verify program parameters.
- The maximum rebate amount shall be the lesser of 50% of the project cost or \$100,000.
- Customers must apply for Year 2010 rebates no later than November 30, 2010.
- Agralite Electric Co-op retains the right to make adjustments to correct incentive calculations if necessary. Energy savings calculations are estimates and may vary from actual results. **IMPORTANT:** A copy of the completed application form, invoices and other project documentation is required prior to payment being issued. Rebate must comply with all the program specific rules, guidelines and qualifications.
