The undersigned does hereby certify that 1) The undersigned, and not Agralite Electric Co-op, is solely responsible for the accuracy of the information contained in this application, 2) all rules of the rebate program have been followed, and 3) the installation is complete. Further, the undersigned acknowledges that nothing contained in the application shall impose any liability on Agralite Electric Co-op for the work performed and information presented by the customer's engineer, contractor, or vendor.

Warranty Information

Rebate qualifications do not imply any representation or warranty of such equipment, design, or installation by Agralite Electric Co-op. Agralite Electric Co-op shall not be responsible or liable for any personal injury or property damage caused by this equipment. Agralite Electric Co-op does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall Agralite Electric Co-op be liable for any incidental or consequential damages.

Other Important Program Rules

1. Installation must be complete before funds will be issued for the rebate.
2. Customers and vendors must submit itemized equipment invoices along with rebate applications, and worksheet to Agralite Electric Co-op. To ensure that the equipment installed meets Agralite Electric Co-op's performance standards, these invoices must itemize labor charges, quantity and price of the equipment installed, and information regarding the manufacturer and model numbers for all equipment included in the rebate.
3. Agralite Electric Co-op reserves the right to conduct random inspections of installations.
4. The customer is responsible for checking with Agralite Electric Co-op to determine whether funding is available and to verify program parameters.
5. Rebate must comply with all program specific rules and qualifications (see complete list of rebate specific rules).
6. Qualifying customers must apply for Year 2010 rebates no later than November 30, 2010.

Qualifying Customers

This program is applicable to the commercial / industrial and agricultural customers of Agralite Electric Co-op.

Rebate Program Guidelines

Agralite Electric Co-op offers cash rebates to qualifying customers who purchase and install VFDs.

Specific Rules and Qualifications

1. Rebates will apply only for new variable frequency drives.
2. Rebates apply to variable frequency drives in systems that:
 - Be tied to an automated control system
 - The VFD True Power Factor of .90 or greater
3. Approved applications of VFD's
 - HVAC fans, pumps, cooling towers, process equipment and industrial fans
4. Non-approved applications of VFD's:
 - Chillers, refrigeration compressors, irrigators and air compressors. These applications may be submitted for evaluation through the Custom Energy Rebate program. The VFD will be evaluated in conjunction with the equipment operating efficiency and loading. Additional applications not approved for VFD rebates include soft-start, power-factor correction, or related equipment.
5. Rebate is based on the rated VFD controlled horsepower or horsepower of motor, whichever is lower.
6. Rebates are not available on replacement VFD's.
7. Rebates are available for VFD's from 1 hp up to 200 hp. For VFD's greater than 200 hp must be evaluated with the Custom Energy Rebate program. The Custom Energy Rebate requires review and approval by the participating member cooperative and Great River Energy.
