

## Find your account number and win a \$100 credit!

If your account number (as it appears on your monthly electric bill) is one of the [four account numbers](#) hidden in this issue, give our office a call by the end of the month and you will receive a \$100 bill credit. If more than one member finds their account number in a single issue, \$100 will be split equally amongst them.

### Congratulations

to John Godwin for finding his account number in the April newsletter.

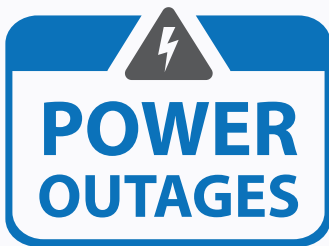

### Energy Saving Tip:

Take advantage of the warmer weather to reduce home energy use. Avoid using your oven and use a grill instead. Not only will cooking outdoors eliminate the energy used to power the oven or stove, but it will also avoid raising the temperature inside your home, reducing the need for additional air conditioning. 1748600

You can also avoid using the oven with tasty no-bake recipes. Get creative in the kitchen and explore new ways to save energy!

June Energy Payment is due  
July 20.\*

\*We accept Visa, Discover,  
and Mastercard.

## Manager's Article: Building Update

By Jenny Stryhn, General Manager

We're pleased to share that construction on our new headquarters is progressing right on schedule. In the coming weeks, we'll begin transitioning into the new facility—located just next door to our current office. This move marks an exciting milestone that will help us serve you, our member-owners, even better.

While we make the move, we remain fully committed to delivering the reliable service you expect. After the transition, we'll continue work on the exterior surroundings of the building. During this time, member access to the new facility will be limited, but we'll continue meeting with members by appointment. We're looking forward to fully completing the project this fall—and celebrating with an open house for all our members.

We also hope to see you at the Annual Meeting on June 10th for more updates. In the meantime, stay connected with us on social media for the latest news and announcements.

Thank you for your continued support and engagement in your cooperative.
